__ Brown-headed Cowbird+ VU
__ Baltimore Oriole+ U

__ _____

*   Regular breeding species
**   Irregular breeder or very low numbers
*** Has bred but no recent records
?   Breeding status uncertain
+   Migrant

OS = Offshore, irregular inshore
VC = Seen daily in suitable habitat
C =   Seen occasionally in suitable habitat
U = Recorded every summer
VU = Recorded most summers
R = Rare, few records
